VANCOUVER, JASPER, TORONTO AND MONTREAL RAIL & STAY

Experience the true beauty of the Canadian countryside from the comfort of first class on the world-famous "The Canadian". From Vancouver to Toronto take advantage of the lounges, scenic cars, performances and your attentive concierge that will help to make your trip so memorable. This is classic Canadian train travel at its best.

Prestige Class represents refined comfort that lives up to its name. Enjoy complimentary refreshments in the lounge cars, relax in the scenic dome section of the Prestige Park Car, and indulge your senses with all-inclusive epicurean fare.

Note: Toronto to Montreal passengers will travel Business Class

JASPER

World-famous for skiing, hiking and other outdoor sports, Jasper attracts tourists from around the world and is said to be among the country's most photographed places. Because Jasper National Park is a wildlife sanctuary, it is common to see all sorts of wild animals in their natural habitat. Elk and mule deer often wander the main street of the town.

MONTREAL

A festival and foodie heaven, Montreal is a fascinating French flavoured destination of old-time European splendour and glittering urban charm. An elegant place of history, pavement cafes, and cobbled streets - Montreal wears its French heritage with a healthy dash of on-the-pulse Canadian cool. Set on the banks of the mighty St. Lawrence River, you can head to beaches and elegant parks that open out onto the pretty waterfront.

VANCOUVER

Boasting mountains, sea, culture, art and so much more, many cities claim to have it all, but few can back it up like Vancouver. Famously livable, just visiting this highrise city - surrounded by staggering natural beauty - is a thrill. Offering all of the creature comforts of an ultra-modern, worldly metropolis - even downtown has a hint of mountain-freshness to its air - and part of Vancouver's appeal is how easily you can swap the skyscrapers for whale-filled oceans and mountain-punctured skies.

TORONTO

This makes it sound like Ontario and "Canada's most populous province" are two different things. Appropriately, Toronto is the Huron word for "a place of meetings." Huge office towers dominate the skyline along the shores of Lake Ontario—a spectacular view best experienced from the CN Tower's SkyPod observation deck, which stands 147 stories high. The train boards at Union Station, immediately across from the imposing Royal York Hotel. The Harbourfront, as well as Yonge and Bay streets are just a few blocks away.
